

Are ready to jump in and have an impact doing meaningful work helping enrollees maintain their health? Do you have experience with DMHC / NAIC / OIC / DOI? Do you reside within 35 miles of Seattle, WA, or Long Beach, CA? If so, we want to speak with you!

We are a dynamic, independent, 45-year-old employee-owned company, operating throughout the West Coast with offices in Seattle, Washington, and Long Beach, California. As a specialized health plan, the Company is committed to delivering high-quality personal service to established and well-known clients.

ACCOUNTABILITIES

When you join our executive leadership team, your priorities will revolve around providing financial, operational, and programmatic support to the organization in a highly regulated environment. You will assume a strategic role in the overall management and execution of the organization's financial forecasting, budgets, and preparation of all financial reporting operations and treatment program costs and impacts. Excellent management, communication, and participatory skills are necessary. You will be responsible for reporting to the Chief Executive Officer and the Board of Directors. A background in health-plans or insurance, including HIPAA compliant environments, is required.
