

How can I download a roster of my committee?

1. First go to Dental Interact by navigating to mynadp.org. Then login.
2. On the main navigation click “Groups” then on “My Groups”

3. The next you will see a listing of your committees and groups you are a part of with NADP. Click on the title of the group or committee you want a roster for.
4. On the next page, you will click the members tab, then the export button to export the committee roster.
