How can I download a roster of my committee?

- 1. First go to Dental Interact by navigating to mynadp.org. Then login.
- 2. On the main navigation click "Groups" then on "My Groups"

- 3. The next you will see a listing of your committees and groups you are a part of with NADP. Click on the title of the group or committee you want a roster for.
- 4. On the next page, you will click the members tab, then the export button to export the committee roster.
