FAQs Dental Interact

## How do I find an NADP Member's contact info via Di?

- 1. First go to Dental Interact by navigating to mynadp.org. Then login.
- 2. On the main navigation bar, under "Browse" click "Find a Member"

3. On the next page, you can enter in any of the fields to look for a member, then click the "Find Members" button. The results will show up on the next page. You can click on each member's for additional contact info.
