

National Association of Dental Plans Political Action Committee (NADPac) is committed to delivering the dental benefits industry's message to Capitol Hill and has important information to share with your company about our political activities. Federal law requires NADPac to receive your company's permission before we can communicate with your company about these important developments and solicit your company's "restricted class" (e.g., stockholders and executive personnel) for contributions to NADPac.

How can I learn more about the NADPac and help the dental benefits industry?

Complete the authorization form below to grant permission for NADPac to keep your company up-to-date on the vital work being done for the industry and to solicit your company's restricted class for contributions.

Yes, I authorize NADPac to communicate with and solicit involvement and voluntary contributions from me and the company's restricted class to NADPac. I understand that my signature does not obligate me or my company's restricted class to contribute to NADPac and that my company can only grant permission to one trade association for the calendar years approved below:
